THIS IS UNEVALUATED INFORMATION

1. There is at present a large Sino-Soviet technical mission in Sinkiang which is engaged in developing plans to exploit the resources of the Province.
2. The mission's plans include the construction of a railroad through Suiting (Ili - 80-49, 44-03) to connect with the Soviet railway system, and the development of housing and agricultural projects to support a labor force which is to be recruited in Shantung and Kiangsu Provinces. It is proposed that this movement will begin in the spring of 1960.
